1. Arrangements have been made with [] for the Professional Trainees in the current course of the Intelligence School to take the assessment program approximately two weeks before the end of the course. This will enable us to have [] reports by the time the course is completed.

2. The Reading Laboratory was moved into Wing D of Alcott Hall on 19 September. Some of the carpentry work which is needed for the efficient operation of the laboratory has not been completed, but by using some curtains from Wings A and B the staff has been able to arrange some temporary partitions. There are currently [] students enrolled in the 25X1 laboratory. Sixteen students from State Department will be taking the Reading Improvement Course beginning 29 September. This class will meet from three to four o'clock in the afternoon.
